2003-2004 brought many new changes for Spring Hill College. Construction on the new library, St. Joseph's Chapel, and everything in between caused the campus to evolve quickly. The end of the 2004 school year also brought renovations to Walsh Hall and the ground breaking for another new residence hall. Needless to say, this school year was defined by change and new beginnings.

Construction

The 2003-2004 school year brought many changes in Spring Hill's campus. The additions of the new Stonisch Baseball Fieldhouse and the Marnie and John Burke Memorial Library are fuel for even more changes in the future of the campus. After completion of the library, the Thomas Byrne Library will be transformed into a building for offices, meeting halls, and more. St. Joseph's Chapel was also renovated this year.

Above and Right: Saint Joseph's Chapel is renovated both inside and outside. A new altar, baptismal font, and pews will be placed into the chapel after renovations.

Sigma Chi

Theta Mu Chapter
Founded: June 28th, 1855 at Miami University in Oxford, Ohio. Sigma Chi cultivates friendship, justice, and learning.

This year Spring Hill's Theta Mu Chapter of Sigma Chi celebrated its twentieth anniversary since its inception. Along with other events, brothers hosted an alumni cocktail dinner in which a new movie was played about the history of the Fraternity. An impressive fifteen new pledges joined Sigma Chi Saturday, April third and eventually initiated thirteen new brothers.

Throughout the year, Brothers have participated in many different philantropic events around campus including Delta Gamma's Anchor Splash and the Phi Mu/Sigma Chi Golf Outing. Derby Days, a weeklong fundraiser to benefit Saint Mary's Home and Children's Miracle Network, raised $10,578. This brought the total monies donated to Saint Mary's Home to over $7,000 for the year. Brothers look forward to going beyond this in following years.

Habitat For Humanity

Habitat for Humanity is a non-profit organization spanning 92 countries and has built over 150,000 houses since its founding in 1976. It aims to provide affordable housing to families whose payments for their houses are based on no-interest loans. The payments are then recycled and used to build other houses. In addition, families contribute hundreds of hours working on their own and others' Habitat houses. Spring Hill's Habitat chapter, led by Sophomore Mary Dooley, held a Hunger and Homelessness Awareness Week in March in conjunction with Habifest. This all-day event raised money and fostered student understanding about poverty. The club also participated in numerous weekend builds at houses in the Mobile area.
